

PLATINUM

INTERNATIONAL CARGO PTY LTD

Platinum International Cargo is a young, dynamic, and enthusiastic international freight forwarder, offering the very best in personalised customer service.

We specialise in helping small to medium sized importers, distributors, exporters and manufacturers get their products to and from their respective global markets as efficiently and cost-effectively as possible.

Our services include:

- Import & Export
- Airfreight
- Seafreight – FCL & LCL
- Customs Clearance
- Local Transport

When you use Platinum International Cargo, you can rest assured your cargo is in safe hands. Once your sale contract and Incoterms are finalised, our highly professional staff personally take care of your shipment from start to finish.

We provide:

- Fast response times to email and phone queries
- Innovative technology and operating processes to track your cargo every step of the way
- Comprehensive knowledge of the world of international transport
- Tailored freight solutions for the best fit for your needs.
